The Campbells From: To: Microsoft ATR Date: 1/2/02 1:07pm

**Subject:** Microsoft Settlement

I urge you to approve the Microsoft Settlement. I and all of my family and friends appreciate Microsoft's contribution to the computer world, and can't imagine a world without Windows operating system. And Internet Explorer is much better than Netscape.

So please approve the Microsoft Settlement.

Stephen Campbell 79 Manilla Dr. Draper, UT 84020 (801) 495-3032 stevec@stevec.org
